**Instructions for Application A-18
GIS Data Request**

This is a fill-able PDF. It allows the information to be entered into the application while online by tabbing through the form and entering applicable information. You will need Adobe Acrobat Reader 7.0 or greater. The form is designed to allow you to save it and/or make further changes in it if you wish.

After filling out the form, please print pages 1 and 2, sign the disclaimer/Acknowledgement, and submit them to the Planning Commission office by fax at (225) 389-5342, e-mail (scanned), at gis@brgov.com, or in person.

If you do not wish to use the fill-able feature, you may print the blank form and type or print legibly with ink.

<i>No.</i>	<i>Item</i>	<i>Explanation</i>
1.	Name of Applicant	Have name of the applicant clearly printed in black ink on the form.
	Organization (if applicable)	If you are submitting this application as a representative of a business, include the name of the business here. If you are not submitting this application as a representative of a business, leave this blank.
	Address/City/State/Zip	Your current mailing address.
	Daytime Telephone (Ext)	Telephone number in which a number is reached Monday through Friday between 8:00 a.m. and 5:00 p.m. Central Time. Include your telephone number extension if available.
	Fax	Your fax number if available.
	E-Mail Address	Your e-mail address if available.
2.	Datasets	Select from the list in this section for the type of data you request to have. If you request multiple datasets, list all here.
	Data Format	Data is stored in Oracle format. Conversion of the data into any other format may incur additional charges.
	Hard Copy Maps	Select map size, type of map or data type (See list of available data above Digital Data section) and number of copies. Multiplicities vary depending on size and type of map requested. See prices below.
	Aerial Photographs	Photographs were taken in July 2008. Each grid costs \$10.00 in digital format.
	Background Map	Have background map clearly printed in black ink on the form.
