## A Resource Guide For City-Parish Services

The government and the many employees of the City of Baton Rouge and Parish of East Baton Rouge provide numerous services for local residents. Several agencies within City-Parish government, including the Planning Commission, deal with issues of development, land use, neighborhoods, landscaping, construction, and permits.

Residents, however, sometimes have difficulty in locating a particular office or individual to help them with their request, problem or project. This Information Bulletin serves as a simple resource guide to direct City-Parish residents to the appropriate planning or development agency.

### Land Development and Zoning

**City-Parish Planning Commission: 389-3144**      <http://www.brgov.com/dept/planning>

- Oversees the implementation of FUTUREBR
- Develops zoning and subdivision regulations.
- Handles land use and land use amendments, zoning and rezoning, new subdivisions and exchanges of property, new developments, Site Plan Review, and Major Street Plan.
- Has subdivision plat maps on file.

### Excavation

**Louisiana One Call: 811 or 1-800-272-3020**      <http://www.laonecall.com>

- A one-call service that provides information about utility placement in City-Parish (and state-wide) rights-of-way and servitude. The Louisiana One Call staff dispatches requests to utility companies, who in turn mark locations of underground utilities so that any excavation work will not harm or impede utility service.
