

FOR IMMEDIATE RELEASE:

Councilwoman Erika L. Green and Charles R. Kelly Community Center have partnered with several community organizations to organize a Hurricane Harvey Donation Center at the Kelly Center.

“My goal is to be responsive to the needs of our sister state post Harvey; and provide relief in the form of donations as so many did for us. We all know the relief efforts extend far beyond days after the storm. I have a personal connection with Texas as I lived there during my undergraduate years,” states Councilwoman Erika L. Green

Starting Tuesday, September 5th Charles R. Kelly Community Center (3535 Riley St., Baton Rouge, LA) will serve as a donation site for items and monetary donations.

The poster features a background image of a city skyline with a bridge over water. On the left, there is a blue outline of the state of Texas with a small red heart in the eastern part. The text is centered and reads: "Councilwoman Erika L. Green and the Charles R. Kelly Community Center" in a serif font, followed by "Harvey Relief Drive" in a large, bold, black serif font, and "A Community Initiative" in a smaller, black serif font. Below this, "Donations Accepted" is written in a large, blue, serif font, followed by "Starting TODAY" in a bold, black, sans-serif font, and "9am to 7pm (Monday-Friday)" in a bold, black, sans-serif font. The address "3535 Riley Street, Baton Rouge, LA, Phase 1 Building" is listed in a bold, black, sans-serif font. At the bottom, there are logos for Councilwoman Erika L. Green District 5, Charles R.
